CDC Crisis Response Cooperative Agreement: COVID-19 Public Health Workforce Supplemental Funding

School nurses are essential...for healthy kids...healthy schools...and healthy communities.

Lessons Learned

Health Disparities are Driven by Social and Economic Inequities

Economic Stability	Housing and Personal Environment	Education	Food Access and Disparities	Physical Activity	Community, Safety, & Social Context	Health Care System
Employment Income Education Debt Pharmacists Medical care Support	Housing Transportation Parks Climate Pharmacists Healthcare Zoo safety pregnancy	Access Language Long distance Education Vocational Training Higher education	Food security Access to healthy systems	Physical Activity	Social Integration Support systems Community engagement Stress Exposure to air-pollution Pesticides noise	Health Care System
