

District Online Program Package Information

Thank you for purchasing a NEUSHA Online Program Package.

When you log into your NEUSHA account, on the LEFT column you will see a list under AVAILABLE PROGRAMS. Click on **Online Program Package** and the list of available programs will show. **We suggest that you add one program at a time as we add programs frequently and the package is available to you for one year from purchase.**

To choose a Program: Click on the **TITLE** of the program you want to view. Scroll down and click on **Add to Program Package**. You will then take a **Pre-test**. When you Submit the Pre-test, you then click on **View Audio-Visual Presentation**.

When you have completed the presentation, you will **ANSWER the question BELOW the video and click Next**, that will take you directly to the **Post-Test/Evaluation**. When you click Submit, your certificate will be emailed back to you and a copy will stay in your NEUSHA Account.
