neffy[®]
(epinephrine nasal spray) 2 mg

neffy 2 mg: The 2 mg dose of neffy can be used on students 66lbs + (30 months expiration)
neffy 1 mg: indicated for adults and children aged 4 years and older who weigh 33 lbs to less than 66 lbs. (24 months expiration)

On March 5, 2025, the FDA approved **neffy 1mg** (epinephrine nasal spray) for the treatment of Type I Allergic Reactions, including anaphylaxis, in children who are aged 4 years and older and weigh 15 to < 30 kilograms (33 to < 66 lb.).

- This approval represents the first significant innovation in the delivery of epinephrine for this patient population in more than 35 years.
