Participants will hear, learn, and understand more about some of the mental health issues affecting today's youth, such as depression, risky behaviors (drinking, drugs, self-harm, etc.), eating disorders, anxiety and other mood disorders. After this webinar, participants will be able to name the most common mental health issues in school-age children, list common signs and symptoms, and know what to do should they encounter a child with the named mental health issues.

The speaker is: **Johanna D. McKinley, MSN, RN, NCSN**

She is a National Certified School Nurse with a Master's Degree in Nursing and Healthcare Administration from The University of Mississippi Medical Center. She has 16 years of nursing experience and currently works as a school nurse for Leno Elementary, Middle, and High School in Scott County MS.

Nursing contact hours (33 contact hours for each workshop) are provided by Northeastern University School of Nursing, accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation.

Keyboard Shortcuts

Keyboard Shortcuts

Get the most out of SNAP with these efficiency tips!

Keyboard shortcuts are only available on the web application. Open your keyboard at [https://psni.com](#)

F3 = Deleted Items
While in the health record, use F3 to open a list of all deleted items for that student for that section.

F4 = Audit Trail
While in the health record, use F4 to open the audit history to find out who created an item and when in that section.

F11 = Fullscreen
Use F11 to enter and exit fullscreen mode. Helpful if you find yourself having to scroll to see all of the action buttons in SNAP.
* Apps may require holding the Function key (Windows), Fn key (Mac), or the Fn/Control key (Chromebook).

Ctrl (or ⌘) + [Ctrl (or Mac)] + arrow keys = Reorder
Reorder items with a click. Helpful to create chronological documentation.

Ctrl (or ⌘) + [Ctrl (or Mac)] + L = Library
Bring up the library and use the Tool Saver to save time searching. Helpful when entering conditions.

Ctrl (or ⌘) + [Ctrl (or Mac)] + T = Current Time
Helpful when marking the time out on a visit with the current time. Only works in full-screen mode (F11)

Ctrl (or ⌘) + [Ctrl (or Mac)] + D = Current Date
Mark the current date in a text field or a note.

Ctrl (or ⌘) + [Ctrl (or Mac)] + S = Search for a Different Student
Change the student name on a case step even if the wrong name was entered.

Health Portal and Imm Link

The image shows a map of the United States titled "SNAP Imm Link Availability". The map is color-coded by state: dark blue for "Available" and light blue for "Coming soon". A legend on the right lists states with their corresponding availability status. The screenshot to the right shows the "SNAP HEALTH PORTAL" dashboard for a user named Sarah Lynn Alan. The dashboard includes an announcement from the Health Clinic, an alert about contact tracing requirements, and a "What's New" section listing new health office visits and documents.
